Conference

Wind Energy Economics

Patrick Quinlan, Moderator

Our Panelists

- **Patrick Quinlan, Celadon Renewables**
Moderator
- **Mon-Fen Hong, Black & Veatch**
Analysts perspectives
- **Ryan Chaytors, First Wind**
Developer's Perspectives
- **David O'Brien, BRIDGE Energy Group**
Regulatory and Ratepayer Perspectives

The Panel Format

- **Speakers**

About ten minutes per speaker

Remaining thirty minutes for discussion

- **Questions and Discussion**

Submitted questions discussed

Audience questions discussed

Please remember our rules for civil discussion

Why Economics?

- Economics are key to choosing energy generation options.
- Impacts are weighed against the economic benefits.
- Economics are viewed from many perspectives.

My Objectives for You

- A better education with respect to the basic economics of wind energy development.
- A better appreciation of other economic perspectives in wind energy development.
- A good starting point for acquiring further information on the economics of wind energy.
