

Renewable Energy Workshop

for Rural Nevada NV Energy Customers

You're Invited!

WHAT: Interactive workshops designed to educate ranchers, farmers, agriculture customers and rural area small businesses about incentives for installing solar, wind and hydro renewable energy systems.

- Learn about renewable energy production, system costs, available incentives and how to apply.
- Meet contractors, consultants and equipment suppliers who specialize in renewable energy options.
- Walk away with the information and tools needed to determine if renewable energy is right for you.
